Youth Section Newsletter

Dec 2013

“We’re fast approaching the Christmas break but it’s been an excellent start to the season for the junior section,” says **Nigel McDonald, Junior Training Co-ordinator**.

“The last few months have been extremely busy and, as well as the increase in numbers at our Sunday session, we’ve also introduced Thursday afternoon training for children in years 4 to 6 – from 5pm to 6.30pm – which is proving very popular, especially with those youngsters who play other sports such as football at the weekend. We’re always happy to welcome more though to either session so please let your friends know that we can provide equipment and encourage them to come along and join us.

“Looking ahead, we have lots of exciting things planned for the New Year – we’re currently sourcing team kit for the junior section and we’re also in the process of lining up a number of friendly matches so they can put their newly acquired skills into action.

“If you want to find out more about what we’re doing, come and have a chat with me at Thursday or Sunday training, or email me at anchoriansjhc@gmail.com

In the meantime, from everyone involved in the junior section, we wish you a happy Christmas and a wonderful New Year.”

NEWS IN BRIEF

Well done to the hockey kids who raised £75 towards the news astro by selling cakes one Saturday.

We hope to train every Sunday on our all-weather astro but **severe weather** might mean cancellations – we’ll put the info out on Twitter so follow us and go to the website for more info.

There’s more info for adults and children about all our activities – both on and off the pitch – on the website.
